Sheriff Mack understands the depth of this fight, as he has fought for states rights on the Supreme Court level and won! He continues to spread his message of freedom and courage, while sharing with others his high regard for the United States Constitution.

Debra Medina has spent these last few months trekking across Texas and letting We Texans know that there is another option in the race for governor, there is a candidate that is willing to speak the truth and abide by conservative principles! Medina advocates sovereignty, gun rights, and the very principles that America was built upon.

If you would like the chance to speak candidly with Sheriff Mack and Debra Medina, go to [MailScanner has detected a possible fraud attempt from "www.medinafortexas.com" claiming to be www.takebacktexas.org](http://www.medinafortexas.com) . The auction winner will ride along with Sheriff Mack and Debra Medina as they make their way from one rally to the next. This is a rare opportunity to learn more about the man who devotes his life to educating Americans on The Constitution and fighting for our freedoms and also to meet a gubernatorial candidate that is fighting tirelessly to restore liberty and small government in Texas. The rides will leave out of Seguin, Austin, and Houston. There will be only 3 opportunities to win, so place your bids and get ready to meet two of the brightest stars in the fight to save freedom and end big government. All proceeds from the auction will aid in funding the fight for freedom by going directly to the Medina For Texas Campaign.
